

2020 ANNUAL REPORT

Vision

Tidewater will be the global leader in the offshore industry by providing, in the most cost-efficient manner possible, unmatched support and exceptional local service to our customers, utilizing the safest, most highly skilled workforce.

Mission

Tidewater is dedicated to supporting our customers globally with the highest level of service using our best assets: our people and our vessels.

We will deliver these services with the highest level of operational performance to include safety for our people, compliance with all laws and regulations, and respect for the environment and local communities in which we work.

We are committed to providing these services in an honest, cost-efficient, profitable and transparent manner for all stakeholders including employees, customers, capital sources, vendors and local communities.
